

# CASP Workshop

Learn your frog calls!

Calling Amphibian Survey Program

Harris Lake County Park, New Hill

April 14, 2015

**Where:** [Harris Lake County Park](#) (Park Office)  
New Hill, N.C.

**When:** April 14, 2015, 6 p.m to 9 p.m.

**Leader:** Jeff Hall, N.C. Wildlife Resources Commission

**Overview:** Class will spend time inside learning frog and toad identification and ecology and FrogWatch and CASP protocols. The class will conclude with outdoor field study.

**Target Audience:** Conservation-minded citizens age 16 and older interested in learning more about frogs, including those who are interested in volunteering for frog monitoring programs, and volunteers who are already involved in frog call programs who'd like to brush up on their skills.

**More Info:** Dress for the weather. Bring a bag dinner and prepare to learn more about these voices of the night.

**To register:** The workshop is free; registration is required. Contact Harris Lake County Park, [harris.lake@wakegov.com](mailto:harris.lake@wakegov.com)  
919-387-4342

**Sponsors:** The N.C. Wildlife Resources Commission
